

# ANGRY RECEPTION GIVEN YUGOSLAV MINISTERS IN BELGRADE

## PARADERS HALTED BY SOLDIERS

First Step Taken by Authorities After Arrival of Premier Cvetkovich From Vienna Where He Signed Axis Pact, is to Close Several Public Schools Where Older Boys Destroyed Pictures of Adolf Hitler

HUNDREDS ARRESTED IN THE PROVINCES

Belgrade, Yugoslavia, March 26.—(P)—Rioting broke out in the center of Belgrade today in protest against Yugoslavia's alliance with the Axis powers.

Police and soldiers armed to the teeth rushed to the scene and called the outbreak, which occurred a short time after Premier Cvetkovich returned from Vienna, where he signed the Axis pact yesterday. Foreign Minister Aleksander Cincar-Markovic accompanied him.

Many persons were arrested because police halted the fighting, which started when Axis sympathizers attacked a parade of students bearing British and American flags.

The paraders already had marched through the business district, singing patriotic songs. Authorities apparently were prepared to meet any situation.

Police and soldiers jammed the parade route, and the demonstrators, who were shouting slogans, were ordered to disperse. Many were arrested.

Cvetkovich no sooner had reached the capital than he went into conference seeking to end the disorders which had been agitating the country for 24 hours.

Vice Premier Vladimir Macek, who met the train with other cabinet members, followed the premier to report on disorders which had broken out in all parts of the country. The first step taken by the authorities in Belgrade was thousands of older boys destroyed pictures of Adolf Hitler and staged a down strike.

Police cordons were stationed around some of the largest schools, and it was reported all might be expected until after the orthodox Easter April 20 in an effort to avert further trouble.

The scene at the station, when Cvetkovich and his foreign minister stepped from their train was somber.

Hundreds of persons already are reported under arrest in the provinces as a result of yesterday's demonstrations which threatened to reach grave proportions.

Serb peasants, students, Communists and the rejuvenated Comintern (Committee of Dissenters) high dates back to Turkish empire days took a leading part in the disorders.

Kosce Pecanac, one-time Comintern leader and hero of the 1935-1936 southern Serbia recruiting sons of his world war comrades for a fight against German domination.

Young Serbs besieged the Greek and British legations, asking transportation to the Albanian and Greek fronts to join the fight against the Axis.

One of the largest demonstrations yesterday in Kraljevo, where more than 8,000 men and women gathered to hear speakers in the public square.

## WASHINGTON CO. RACKET TRIALS ARE DISMISSED

Judge W. Russell Carr, Acts Upon Petition by Attorney General Reno, And Fines Six Other Defendants Total of \$15,000

## DISPOSES OF COSTS

Washington, Pa., March 26.—(P)—Judge W. Russell Carr, acting upon a petition by Attorney General E. A. Tamm, dismissed today all remaining charges against three former Washington county officials indicted in a grand jury investigation of "rackets" operations.

At the same time, Judge Carr imposed fines totaling \$15,000 on six other defendants named in the indictments and placed them on probation for three years.

The three former officials cleared of the charges of conspiracy to operate slot machines and numbers lotteries were former District Attorney James C. Kane and former Detectives Michael J. Powell and William McBride. They already had been acquitted in three trials of charges of conspiracy, misconduct in office and embezzlement of money confiscated in gambling raids.

The six other defendants, each fined \$2,500, were Albert Phillips, Charleroi, who was convicted of conspiracy to operate slot machines and pleaded no defense to charges of setting up gambling devices; and Sam Pansino, Monongahela; Pete Krassas, Washington, Pa.; Harry S. Miller and Frank Protin, Donora, and Charles Tew, Bentleyville, who pleaded no defense to charges of conspiracy and operation of "numbers" lotteries.

Judge Carr stipulated that in the remaining indictments against Kane, Powell and McBride as a group, the county should pay the costs. In cases where the three were named with one of the other six on charges of conspiracy, the fourth defendant in the indictment should pay the costs.

He also ordered the six to pay their fines within thirty days; find reputable employment immediately; observe the laws; and forbid any relatives to engage in unlawful business. They must also accept supervision of their conduct by the county probation officers and comply with "such other orders as the court deems necessary."

## POLLUTION PROBLEM UNDER DISCUSSION

BY HAROLD W. WARD  
Harrisburg, March 26.—(P)—Stream pollution originating in Pennsylvania, some of which affects surrounding states, was the subject of an interstate conference today on pending legislation in the general assembly.

Representatives of the Ohio Valley Compact Commission, Interstate Commission on the Delaware River Basin, Potomac River Sanitation Compact, the State Department of health, and the Schuylkill River Valley Restoration Association met with the members of the House and Senate committees on state government.

## PEACEFUL PICKETING ENFORCED

Strike Leaders, Threatening "A Finish Fight" in All Steel Mills and Shipyards With More Than Billion Dollars of Defense Contracts, Announce They May Seek Court Injunction to Counteract Order

## JOHNSTOWN WALKOUT FAILS TO MATERIALIZE

BULLETINS  
Washington, March 26.—(P)—C. A. Dykstra, chairman of the Defense Mediation Board, wired Governor Arthur H. James of Pennsylvania, today that the board could not intervene in the Bethlehem steel strike until the case was certified to it by the secretary of labor.

Harrisburg, March 26.—(P)—Col. Lynn G. Adams, returning from the Bethlehem strike zone, said today that "stevedores, ex-sailors, dock hands and Communists" are "the ones making the trouble" at the Bethlehem plant of the Bethlehem Steel Corporation where the CIO called a strike.

Commissioner Adams, who led 125 troopers in quelling a disturbance at Bethlehem last night, went immediately into conference with Governor James on his return.

Bethlehem, March 26.—(P)—More than 100 picked Pennsylvania state police stood guard to enforce "peaceful picketing" today. After smashing massed picket lines at the plant of the Bethlehem Steel Corp., workers passed in and out of the mills without incident.

Shouting warnings and waving riot sticks, the troopers—many of them mounted—cleared all nine entrances last night of pickets established by the CIO steel workers organizing committee.

Meanwhile, across the state in Johnstown another threatened strike at the company's Cambria plant where 10,000 men are employed, failed to materialize. There are 21,000 workmen here.

Strike leaders announced they may seek a court injunction for resumption of picketing broken up by police "if necessary." They threatened a "finish fight" in all Bethlehem steel mills and shipyards with their more than a billion dollars of defense contracts.

No pickets appeared immediately, although strikers gathered on streets a short distance from the plant. The state police had decreed "peaceful picketing only" and the union later directed its membership not to gather in groups near the mills.

R. A. Lewis, general manager of the plant here, said: "All steel making departments are operating at full capacity. Almost 80 per cent of the regular forces are at the plant."

## TIGHTENS GRIP ON DODECANESE

BY LARRY ALLEN  
With the British battlefleet off Crete, March 26.—(P)—Bombardment and blockade are expected by the British to cost Italy her Dodecanese islands, where Italian garrisons already face serious shortages of food and war supplies.

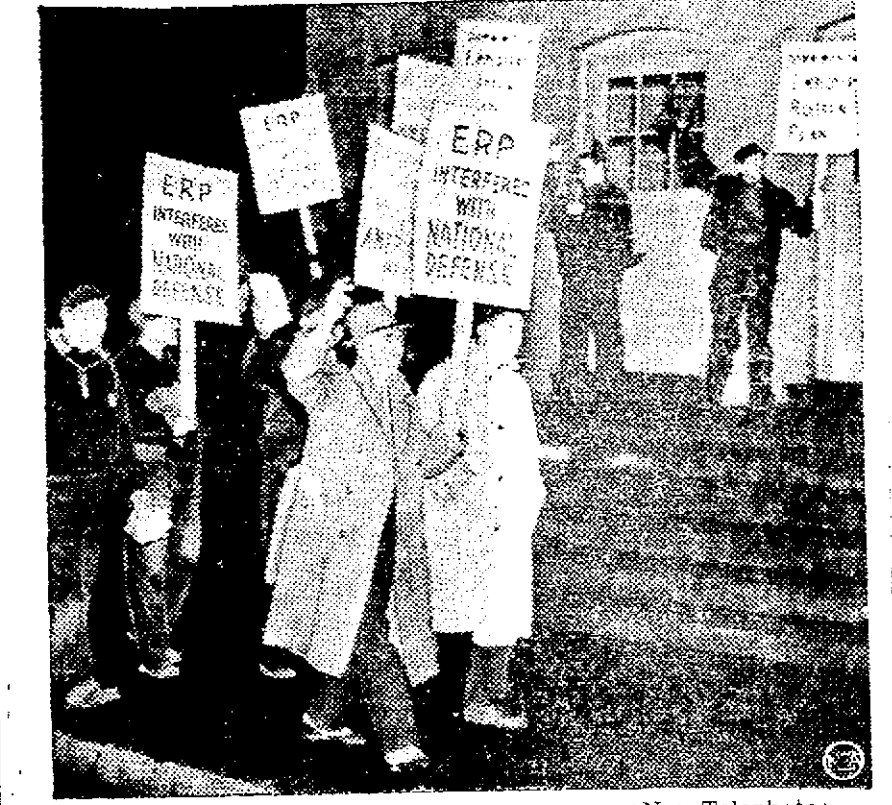

The 12 rocky islands, strung out like pieces in an unfinished jigsaw puzzle off the Aegean coast of Turkey, have been cut off from Italy for months by the British fleet.

The more important islands of Rhodes, Levos and Scarpanto, from whose harbor and submarine bases Mussolini had expected to strike at Egypt and Greece, have been bombed heavily, and the British navy gave Scarpanto one severe shelling.

Serious shortages of gasoline and war supplies on the islands were given by the British as one reason for the dwindling in the past few months of Italian air attacks on the islands.

## Steelers March at Strike-Bound Plant

Arm waving, banner toting pickets paraded past gates of Bethlehem Steel plant in Bethlehem, Pa., where members of Steel Workers Organizing Committee (C. I. O.) struck against formation of Employees Representation Plan, which they allege is a company union.

## Murray is Asked By Dies His Attitude Toward Communists

Washington, March 26.—(P)—Representative Dies (D-Tex.) called on Philip Murray, CIO president, today to say what his organization "proposes to do" with officials of "whose Communist affiliations there can be no doubt."

He read to the house a telegram he said he had sent to Murray which said in part:

"As chairman of the CIO, please advise me by telegram at once so that I may read your reply to the congress whether or not the CIO is ready and willing to expel from its ranks and from positions of leadership members of the Communist party."

"What does your organization propose to do with the following officials of the CIO concerning whose Communist affiliations there can be no doubt in view of the evidence before our committee?"

Dies said his telegram contained these names and affiliations: Joseph Curran, National Maritime Union president; Earl Gold, president of the International Fur and Leather Workers' Union; Gerald Henderson, president of the United Cannery, Agricultural, Packing and Allied Workers; Harry Bridges, CIO west coast maritime leader; Michael Quill, president of the Transport Workers' union; John Santo and Austin Hogan, officials of the same union; Lewis Maxwell, president of the United office and professional workers; and others.

## CIVIL FUNCTIONS COST WILL REACH \$300,272,228.00

Washington, March 26.—(P)—With emphasis on defense work such as the Panama Canal, the house appropriations committee approved today a \$300,272,228 bill for the civil functions of the War Department—rivers and harbors, flood control and the like.

For the canal, the committee recommended \$52,135,326 cash and contractual authority of \$79,000,000, after Brigadier-General Glen E. Edgerton, canal governor, reported that the third set of locks there probably would be completed in advance of the scheduled date, June 30, 1946. The new locks are expected to facilitate quick movement of the navy from ocean to ocean, including accommodation of larger battleships.

Cash money in the bill totaled \$221,272,228. This figure and the \$79,000,000 contractual authority for the canal were identical. The bureau suggested a \$50,742,433 reduction for appropriations for the current year and the committee concurred.

In approving the reduction, the committee said that its investigation "left no doubt of an earnest purpose to lighten demands in the interest of the defense-preparation effort."

The money is for use in the fiscal year beginning July 1.

## HALIFAX SAYS HELP IS IN TIME

New York, March 26.—(P)—Britain's principal post-war aim is to help establish economic cooperation among all nations, says Lord Halifax, and Britain intends to stay armed until assured of Germany's participation.

The British ambassador, in his first public address since coming to the U. S., said last night that in the war itself his country's vital purpose is "to win this life-and-death struggle for the cause of human freedom."

In accordance with tradition, Halifax made his initial speech in this country before the Pilgrims of the United States.

Dwelling briefly on the "fortunes of war," he assured Americans that England is prepared to defeat a German invasion and also can reduce shipping losses below the danger level "with the help that you will be able to give."

"Problems involving common needs can only be solved by common action," he said.

## NAZI SEA WARFARE EXTENDED

Official Proclamation Announcing Counter-Blockade Operations Will Be Expanded to Within Three Miles of Greenland Brings Zone of Intensive Activities to Threshold Of Western Hemisphere

## NO COMMENT IS MADE ON PROBABLE ACTION

Washington, March 26.—(P)—The official extension of Germany's counter-blockade operations to within three miles of Greenland brought the zone of intensive sea warfare today to the threshold of the western hemisphere which the United States has committed herself to defend.

The proximity of the new deadline to Greenland attracted immediate attention here, because authorities have made it known on several occasions that Greenland is considered a part of the hemisphere and as such, covered by the Monroe Doctrine.

Berlin's proclamation last night extending the counter-blockade area brought no immediate comment from government officials here, however, and they declined to indicate what, if any, action would be taken to meet the situation.

Two U. S. coast guard cutters, both armed, are believed now operating in the vicinity of Greenland as part of the iceburg patrol. Since Germany occupied Denmark last year the United States has shown increasing interest in the two Danish crown possessions, Greenland and Iceland.

The new German decree included Iceland in the extended combat area. Contending that the British were using the island as a base against the Nazi counter-blockade campaign, the colony, only a short distance from Greenland, was occupied by the British last May.

Although officials here have denied that any United States forces have been sent to Greenland, coast guard vessels have been maintaining a close patrol of the vicinity.

Trade between the United States and Iceland began after the German invasion of Denmark isolated man.

## SIGNATURE ON BILL TO SPEED UP AID SPENDING

Awaiting Final Action On Legislation Capital Estimates That Cost of National Defense Program Has Reached \$40,000,000,000

## FIRST CONSIGNMENT

Washington, March 26.—(P)—Awaiting word that President Roosevelt had signed the \$7,000,000,000 British aid appropriation, the cost of enormous national defense program had almost reached the \$40,000,000,000 mark.

Actually, an OPM tabulation showed, the authorized and proposed United States expenditures since June 1, 1940 have totaled \$39,177,890,000, including the British aid appropriation. An additional \$5,111,000,000 in orders have been placed here by Great Britain in that period.

The President's signature on the huge aid appropriation measure was generally expected to be a signal for a new intensification of effort to get those dollars transformed into the necessary supplies and to get those supplies delivered to Britain and American armed forces.

Some saw a hint of a stepped-up aid tempo when defense officials yesterday ordered 200 tons of magnesium—an ingredient in incendiary bombs—ready for Great Britain by April 1.

This was the first lease-lend consignment whose character was officially disclosed.

Defense officials already have done considerable advance work in preparing to handle the new flood of orders that the \$7,000,000,000 aid appropriation will bring, and to integrate them, as (Turn to Page Eleven)

## LITTLE CHANGE FOR INJUNCTION ACT IN SENATE

By the Associated Press  
Harrisburg, March 26.—(P)—Senator James A. Gatz (R-Alla.) said today he was doubtful that the senate would pass the House-approved bill prohibiting courts from issuing injunctions against strikers in labor disputes without conducting hearings.

Gatz, the Republican floor leader, asserted: "I would be very doubtful about its chances. It has none with me."

The measure passed the Democratic-controlled House yesterday by a vote of 132 to 66. A similar law was enacted by the Democratic legislature in 1937 and amended by the Republican assembly in 1939. The law and the current bill would restore it to its original status.

Charles H. Ealy (R-Somerset), president pro tempore of the senate, pointed out that "the United States Supreme Court in an Illinois case ruled that courts could issue injunctions in labor disputes even where there is peaceful picketing."

Republicans in the House opposed the bill in debate when it came up for a vote. Rep. Benjamin F. James (R-Dele.) calling it "a Democratic sop to labor." His colleague, Rep. Ellwood J. Turner, asserted "this bill is a fraud."

Ealy took up on the Senate floor a House-approved resolution asking an investigation of state-owned hospitals and said that no Republican senator was opposed to it as long as the investigation was conducted "for fact finding only."

The Senate adjourned until 4:30 p. m. Monday.

## Family Has Double Interest in Dispute

Bethlehem March 26.—(P)—The Stocker family has a double interest in the CIO steel union strike at the Bethlehem Steel Company plant.

Bethlehem City Police Chief Ernest Stocker is the father of Picket Edward Stocker, who works in the plant's tool shop and has belonged to the union 15 months.

"Trouble between me and Dad?" the 31-year-old son laughed. "No sir. Pops got his notions and I've got mine. And we keep 'em to ourselves."

## WORLD REACTION TO LATEST PACT PLEASES BERLIN

Authorized Sources Say That "Shock Caused by New Diplomatic Step, Contested by Anglo-American Coalition, is Remarkable."

## MAY EXPAND FURTHER

BY LOUIS LOCHNER  
Berlin, March 26.—(P)—German officialdom seemed well pleased today at world reaction to the Axis pact with Yugoslavia, signed yesterday in Vienna.

Authorized sources said that the "shock caused by this new diplomatic step, which was so bitterly contested by the Anglo-American coalition of opponents to the new European order, is more than remarkable."

"Not that we care one way or another," these sources added, "it is a matter of complete indifference to us what others think about the effect of the tri-partite pact expansions on the world in general, or upon the Far East and the Balkans in particular. Our diplomacy knows no pause."

Asked whether other states were expected to join these sources declared: "We are firmly convinced of it."

This German diplomatic activity, it was expressly stated, does not extend to Greece.

"Greece, which finds herself in a military struggle against our ally, is no object for diplomatic activity by the Reich," these sources said.

Authorized interpretation of the implications of Yugoslavia's accession to the pact was given.

## BLOOD DONOR FAILS TO SAVE INDIANA MAN

Indiana, Pa., March 26.—(P)—Blood donations by a former "Cinderella girl" of Newark, N. J., failed to save the life of Samuel W. Rinn, 49, stricken with a usually fatal blood stream infection.

The well-known merchant died early today after receiving two transfusions from Mrs. M. Gloria Brown, who had recovered from the disease streptococcus viridans.

She came to Indiana in response to appeals for donors. The attending physician said Rinn was so weak at the time of her arrival that his condition was critical.

## LIQUOR HEARING TO BE RESUMED

Harrisburg, March 26.—(P)—The House liquor committee today agreed to another hearing on a bill to extend Saturday night taproom hours to 2 a. m.

Rep. Joseph M. O'Brien (D-Philadelphia), chairman of the committee, reviewing the testimony of Anti-Saloon League and Lords Day Alliance spokesmen against the bill, announced his committee would meet next Tuesday to schedule the hearing.

He said a hearing might be held that same day on one or two of a score of more bills now in the committee's hands, and added he was in favor of bringing all the bills out for a hearing, "if it takes all day."

Before a packed house chamber yesterday, W. C. T. U.-Anti-Saloon League officials, Dr. William L. Poiry, secretary of the Lords Day Alliance, and Dr. E. K. Scott, McBeir, head of the Pennsylvania Anti-Saloon League, voiced opposition not only to the late closing day to schedule the hearing.

## JAPENVOY IS FETTERED IN BERLIN

Foreign Minister Yosuke Matsuoka Receives a Royal Welcome on Arriving in German Capital For Discussions Designed To Make Three-Power Pact a More Effective Instrument in Organizing "New Order"

## TO BEGIN CONFERENCES SOME TIME THURSDAY

BULLETIN  
Miami, Fla., March 26.—(P)—A navy plane delivered to President Roosevelt today the \$7,000,000,000 British aid bill for his signature. The bill was enclosed in a big leather White House dispatch case. It was brought here last night by Postal Inspector L. J. White and went along with other mail to the undisclosed spot off the Florida coast where the president is fishing.

Berlin, March 26.—(P)—Japanese Foreign Minister Yosuke Matsuoka arriving in Berlin at 6 p. m. (11 a. m. EST) today for discussions which German commentators said were designed to make the three-power pact a more effective instrument for organizing the "new order" in Europe and the Far East.

Matsuoka's train which carried him from Moscow where he had talked with Joseph Stalin drew in to Anhalter station as twilight descended on the city.

Streets had been blocked off and tens of thousands of citizens were on hand to give him a wild greeting.

The authoritative commentary, Dienst Aus Deutschland, commenting on the visit said it was "more significant than a mere friendly exchange of opinions."

When Matsuoka begins conferences tomorrow with Adolf Hitler and other German leaders, the commentary said, they will "new problems from a worldwide perspective and will stabilize and clarify the pre-conditions for the fundamental reform of international life."

The German capital had a rousing welcome for the Japanese foreign minister, backgrounded by jubilation over Yugoslavia's entrance into the Axis camp.

Matsuoka entered German territory late last night at the tiny town of Malkin on the Russian border.

Factories and schools were ordered to close early to give workers and children time to get in line along the route from the railway station to Bellevue palace—the Fuehrer's guest house for state visitors.

Propaganda Minister Paul Joseph Goebbels urged Berlin residents to "decorate your houses with flags and personally take part in this historic event."

"The reception accorded this distinguished Japanese visitor in the Reich's capital," Goebbels declared, "will most effectively demonstrate the insoluble union of nations bound together by the three-power pact x x x."

Lieut. Gen. Hiroshi Oshima, Japanese ambassador to Berlin, said he had not "the slightest doubt that the foreign minister's visit will contribute much toward strengthening our (Japanese-German) cooperation."

## BRIEF ASSOCIATED PRESS DISPATCHES

New York, March 26.—(P)—Managed to two negro prisoners and guarded by two deputies, Earl Browder, former chief of the Communist party in the United States, left on a seaboard line train for Atlanta, Ga., today to serve a four-year sentence in the federal penitentiary for passport fraud. Browder, surrendered yesterday several weeks after his conviction was upheld by the U. S. Supreme Court.

## Completing Plans for Introducing Surplus Food Stamps in District

Arrangements for the introduction of the use of surplus food stamps in Warren county will be completed tomorrow evening at eight o'clock when wholesalers of the community and their salesmen will attend a meeting at the Y. M. C. A. Emmons R. Jones, chairman of the Chamber of Commerce's special committee in charge of the project, will preside.

Others named by W. E. Yeager, Chamber of Commerce president, to serve on this committee are O. C. Tritt, George Frantz, C. L. Tyler, and Nels Anderson, of Warren; Leo Johnson, of Youngville, representing the Granges of the county; and the following retail grocers: J. E. Gnagey, Warren; E. J. Abraham, Youngville; John King, Tidouste; John VanOrsdale, Russell; M. D. Himebaugh, Kinzua; C. H. Whittaker, Sheffield, and H. H. Gourley, Sugar Grove.

Within the next two weeks a representative of the Surplus Marketing Administration will visit each of the communities where a committeeman has been named, in order that retailers from the smaller communities nearby may secure full information relative to the method of receiving stamps in exchange for foods and in turning them in for cash.

The first of such visits will be at H. H. Gourley's store in Sugar Grove next Monday, March 31, from 4:00 to 9:00 p. m. Food distributors from that town and those from Bear Lake, Columbus, Spring Creek, Freehold, Lottsville, Chancellors Valley and intermediate points have been instructed by the S. M. A. to visit the designated place during the hours mentioned to receive information and credentials for display in their stores.

Inasmuch as accepting the stamps is the same as accepting cash, every retailer desiring to increase his business is invited to participate in the project and to secure his credentials at the appointed time and place, the Chamber of Commerce said today.

## WOMEN TO RULE METZGER'S FOR DAY THIS WEEK

"Kings for a Day" is the theme of the women at Metzger-Wright's who have ousted the men from their thrones for a one-day event—"Woman's Day" on Saturday. These executives are busy as all the king's men, planning an event that will draw attention for miles around.

Heading the list of executives is Betty Anderson, who has taken over the position of W. H. Wright, vice president. Miss Anderson is well qualified for her position, having been with the company since it was consolidated with the C. H. Smith Company. She had been with the latter firm for a number of years in the same capacity as that which she has been filling at Metzger-Wright's—that of buyer of yard goods and domestics.

Matilda Eckardt, who has been with the store since 1902 and is a Metzger-Wright Honor Club member, has "shooed" Claude Landers out of his position as buyer of shoes. Down from his height has come Henry Holmlund to give his place as wallpaper buyer to Clara Carter. Mrs. Carter should know how to match wallpaper, as she is the one who makes those draperies and slip covers match so well in the drapery department.

L. C. LeVan, buyer of housewares, has been replaced by Frances Cederquist, china saleswoman, while Julia Fabriski, of the jewelry counter, has taken over William Lord's position as accessory buyer for the day.

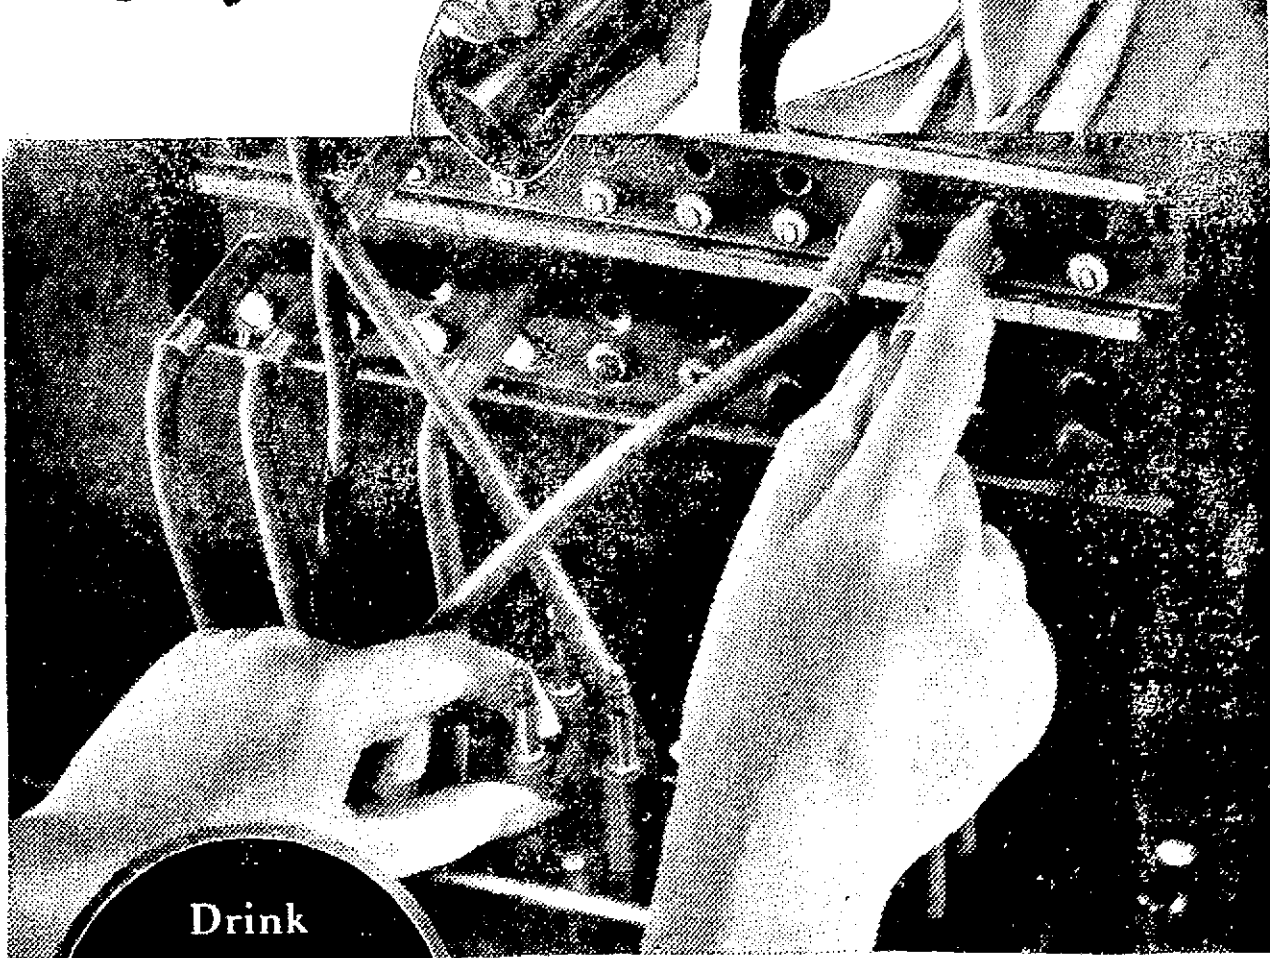

Anne McGarry has always wanted to decorate and do windows. She will have her chance, having taken over the job of Warren Clark, display manager. Pearl Johnson, who has been filling the sweet tooth as candy saleswoman, has assumed the direction of the delivery department from Norman Cederquist. Blenda Hinkley has stepped in as buyer in the yard goods department.

In the office, Helen Schuelz was named manager, while Mable Nelson replaced O. A. Pressel. Vangie Carlson has taken over the drapery department from Allan Johnson.

The buying of fashions has been turned over to Marie Guertin. "Executives for a day!" Yes, and it is reported that there will be great doings at the Metzger-Wright store on that day.

## Warren Artist Receives Award From Guggenheim Foundation; One of Two Sculptors So Honored

Warren residents will feel a particular pride in the recognition just granted one of its artists through announcement that Miss Marion Sanford, of Warren and New York, is the recipient of one of the 85 fellowships just awarded by the John Simon Guggenheim Memorial Foundation to assist American and Canadian scholars and artists in research and creative work. The Foundation was established in 1925 by Simon Guggenheim, former United States senator from Colorado, and Mrs. Guggenheim, as a memorial to a son.

Winners were selected from more than 1,400 applicants. The monetary award to each is about \$2,500, the total of this year's fellowships reaching \$180,000. Those chosen come from 23 states and three Canadian provinces and represent the staffs of 31 educational institutions.

The committee of selections is composed of Dr. Frank Aydelotte, director of the institute for advanced study at Princeton University; chairman, Dr. Florence R. Sabin, of the Rockefeller Institute of Medical Research; Prof. Edwin Bidwell Wilson, of the Harvard University School of Health; Prof. Linus Pauling, of the California Institute of Technology, and Prof. Wallace Notestein, of Yale University.

Miss Sanford, assistant to Evendia Putnam and artist for Miss Putnam's book, "The Sculptor's Way," was one of the two sculptors honored with selection. The other was Richmond Earthe, of New York City.

The Warren girl, graduate of Pratt Institute and student of the Art Student's League, is a member of the National Sculpture Society and of the National Association of Warren Painters and Sculptors, and won the latter's Anna Hyatt Huntington prize for sculpture in 1937.

Some of her work is almost constantly shown in various New York galleries and she is currently represented in the 115th annual exhibition of the National Academy by "Lady With a Lute," impression of Suzanne Bloch.

## WARREN PUPILS TO PARTICIPATE IN MUSIC EVENT

Harry A. Summers, director of instrumental music in the Warren borough schools, announces today the names of local students who will go to Clarion on Friday to participate in the district semi-finals of the Pennsylvania Forensic League competitions.

Since the group will include soloists, accompanists and both the small and large string ensembles, there will be about 25 young people in all making the trip.

Transportation is being arranged by members of the School Music Teachers' Club, which is headed this season by William H. Cannon.

Soloists going to Clarion are as follows: Violin, Miss Patty Smith; clarinet, William Loucks; piano, Loren Wright; flute, Dorothy Bosine; French horn, Gail Schuler; cornet, Donald Huck; tuba, Robert Folkman.

Accompanists for these soloists will be Miss Margaret Blich, Miss Joyce Barnes, Miss Eleanor Klinefelter and Loren Wright.

Winners in the Clarion contests become eligible for the state finals, to be held at New Castle in April.

**TRUCKER KILLED**  
Ebensburg, Pa., March 26.—(AP)—Two motorists last night found James Bushnell, 31, a truck driver of Evansville, Ill., crushed to death beneath his overturned truck.

Police Sergeant C. C. Christensen of Johnstown, said he was told the man's truck apparently had started running away down a steep grade and that he had tried to jump, identification was made by the driver's license which carried his picture.

### FOUND ANTARCTIC CONTINENT

Lieut. Charles Wilkes of the U. S. Navy discovered the Antarctic continent more than 100 years ago, during a four-year map-making expedition, begun in 1838. He mapped 1600 miles of Antarctic coastline, 200 Pacific ocean islands, and 200 miles of streams and coasts in the Oregon territory.

### FIRST ADHESIVE POSTAGE

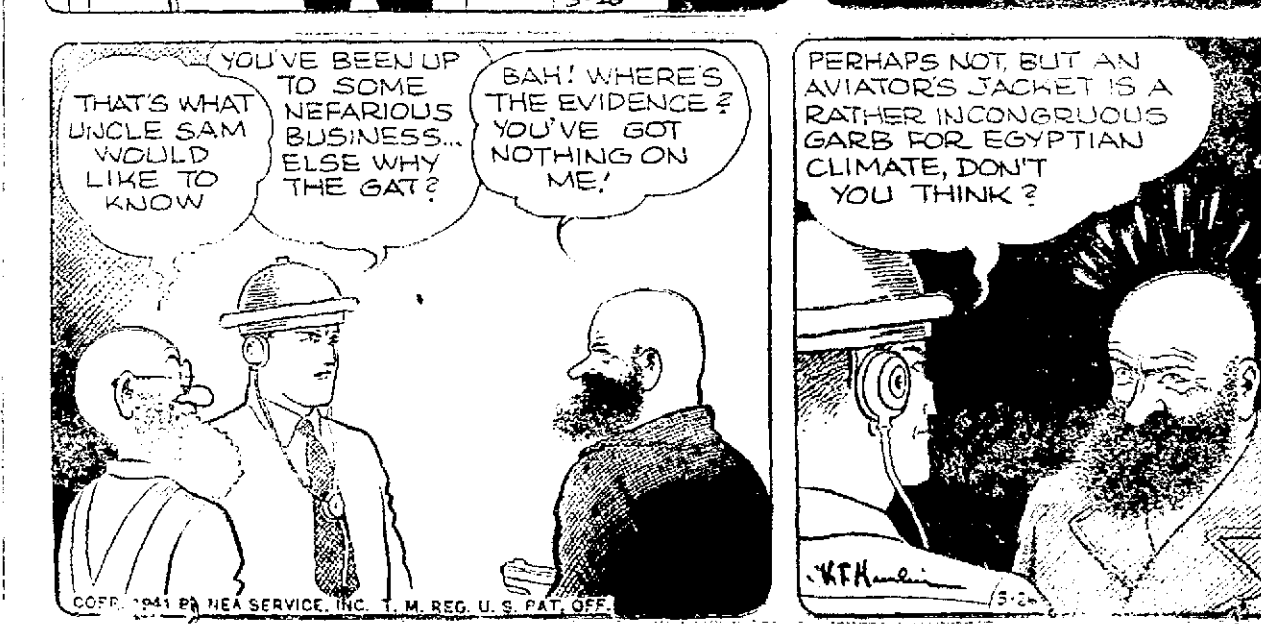

The Penny Black, first adhesive postage stamp put into government use, appeared May 6, 1840, carrying a likeness of Queen Victoria. Great Britain produced the stamp as the result of a campaign launched by Rowland Hill, English mathematician, reformer, and schoolmaster, for establishment of a cheap universal postage rate.

All unemployed workers capable of holding jobs are being urged by the State employment service to register by April 15 at the nearest local office.

## YOUR NATION'S CAPITOL

By Peter Edson  
The Times-Mirror Washington Correspondent

**Gimme Hitchhikers Still Line Road to Defense and John S. Taxpayer Wants to Know: How Come?**

Washington, March 26—John S. for Sap Taxpayer, reconciled and ready to finance his country's defense effort, might be more willing to give till it hurts if assured that some of the "well get our backs" boys would be a little less rapacious.

For while the country at large has accepted the fact that every one must make sacrifices to help save the world for democracy (again), congressional and administrative lavishness in appropriation of billions of dollars has stirred every selfish instinct of every self-centered group which thinks itself entitled to government aid. So the broad highway to victory is lined with gimme hitchhikers ready to grab a hold as the caravan of government contract trucks goes by.

The whole spectacle is of course natural. No one can forget easily the long lean years when profits vanished, when trade dwindled, when layoffs stretched into unemployment, when the three R's of relief, regulation and reform were primary education for the New Deal. When defense spending began by billions, the inclination was to get back past losses, and if this meant at government expense, so be it.

Perhaps the first to have extensive ambitions of recovered profits were manufacturers seeking prime contracts for war supplies for memories of profiteering in the last war were still pleasant.

Countering the prospect of these hopes, however, was the public demand and the administration determination that in this effort there would be no profiteering.

In the same class were the firms given contracts for construction of new plants for defense production, firms given contracts for construction of new camps and cantonments, and the land agents who bought acreage for new military reservations.

Speed has been essential and many of the contracts, instead of being let on the competitive bid basis, have been let on the cost-plus-fixed-fee basis in which the government pays all costs, regardless of extravagance or economy of management, and awards the contractor a percentage, usually 3.2 per cent for supervision and profit. To just what extent there has been irregularity in the awarding or operation of these contracts may come out in the investigation by Senator Harry S. Truman's committee. Washington opinion is none too hopeful, owing to the committee's limited funds and the questionable strength and ability of the committee itself. Definitely, what is not wanted from this committee is a liberal coating of whitewash. What is wanted is a thorough probe of every rat hole. Labor, no less eager than capital to recoup losses, has come in for its full share of dirty looks. The record of even a few exorbitant assessments of union initiation fees, of strikes in defense industries, of demands for wage increases, has already resulted in the appointment of the new Labor (Turn to Page Twelve)

## YEARS AGO IN WARREN

Interesting Items Taken From the Warren Evening Times

**In 1921**  
Robert Chalmers, of the Warren Garage, stated today that in spite of the so-called business depression his firm was enjoying exceptionally fine business and that the sales of his company on Thursday of this week exceeded any previous day's sales in the history of the company, more than twenty thousand dollars worth of cars being sold on this day.

The curb market on Hickory street boasted five different rigs this morning. The feature of the day was spring flowers, daffodils, hyacinths and other blossoms, and these were getting a lot of attention from pre-Easter purchasers.

The Easter Monday ball of the Centennial Hotel Company is going to be a most enjoyable occasion. Jordan's orchestra has some new and jazzy music that will be heard for the first time.

Captain and Mrs. R. N. Summerton left this morning for Tidewater where they will spend the weekend and incidentally the captain expects to get a good string of fish.

Justice of the Peace Jerry Borden, of Sheffield, spent today in Warren on business.

**In 1931**  
The Curtis airplane owned by N. McCauley and Dr. G. S. Condit, that has been attracting attention at the Warren airport, received an impromptu bath after its winter hibernation late yesterday when it was taken from the hangar, taxed across the field by Lawrence Clark, and "set down in the river" much like a mother would place an infant in a tub of warm water.

Raymond Yeagle was installed chief patriarch of Kossuth Encampment last evening. Among others installed were Mito Barber, senior warden; H. S. King, junior warden; C. E. Ticker, recording secretary; William Duncan, high priest.

The following took part in the comedy "Two Tables of Bridge" given at the assembly program at the high school this morning: Edna Haehn, Donna Mae Keefe, Harriet Carson, Elizabeth Craft, Betty Kreps, Imogene Keller, Cresence Ebel, Lona Sutton and Janina Schwartz.

An audience of about 200 greeted Frederic Hilary, violinist of Jamestown and New York City, in a recital at the Philomel Club last evening.

The final meeting of the Life Study Club will be held Tuesday evening when J. P. Pruschnig will lead the discussion on "Fired at Fifty."

**FUNNY BUSINESS**

**THE FELLOWSHIP OF PRAYER**

WEDNESDAY, MARCH 26. "I will be as the dew unto Israel: . . . Read Hosea 14:7."

Palestine lived by its dews almost as much as by its rains. Moisture-laden winds drenched the cool nights with dew and kept the pastures alive; as though each grass blade made its own cloud and welcomed the dawn with jeweled drops.

Life, said the sad poet-prophet, is like that. When the greatest blessings are withheld we must learn to live by the lesser mercies—and they will not fail us. Indeed the greatest blessings reached us only in intimate ways. Love comes to our hearts from our hearthstones. Duty is the succession of daily tasks, happiness is the well-being of the near and the dear. Like the dew of Palestine, the ocean of God's providence comes to us in such ways as even a grass blade can take and grow by.

**PRAYER:** Lord of all tenderness, Whose care for us is like the witness of the sea, we thank Thee for all little mercies near as dew to grass. When the supreme blessings seem to fail us, so vouchsafe to us in lesser things the dew of Thy mercy, that our souls may not grow too much parched and we may go on in gratitude from day to day. In His name we pray. Amen.

The mortality among pigs, from farrowing time until they are marketed, is about 40 per cent.

A STAR IS BORN

You can't always tell where an actor was born by the accent he uses or the type of role he plays. Here are five well known character actors and stars. From the clues given, you name the birthplace of each?

1. Claudette Colbert. (a) Texas; (b) France; (c) Montana; (d) England.

2. El Brendel. (a) Pennsylvania; (b) Sweden; (c) England; (d) California.

3. Wendy Barrie. (a) England; (b) China; (c) New York; (d) California.

4. William (Hopalong Cassidy) Boyd. (a) Montana; (b) Canada; (c) Texas; (d) Ohio.

5. Olivia De Havilland. (a) California; (b) Montana; (c) Spain; (d) Japan.

### CHANGE IN F. H. A. PLAN EFFECTIVE AFTER JULY 1ST

An announcement of great importance to anyone interested in real estate loans has recently been made by the Federal Housing Administration in Washington, D. C. This will affect both borrowers and the banks which are making F. H. A. loans. In the past it has been possible for loans to be made on properties already constructed when owners wished to establish such loans on a paying plan under the F. H. A. program. Beginning July 1, 1941, the Federal Housing Administration will endorse such mortgage loans only on such properties that had previously been covered by an insured mortgage. The actual wording of the National Housing Act is as follows:

"That on and after July 1, 1941, no mortgages shall be insured under this title except mortgages that cover property which is approved for mortgage insurance prior to the completion of the construction of such property, or which has been previously covered by a mortgage insured by the Administrator."

It is well that all property owners or those who contemplate purchasing property and financing them under the F. H. A. plan to know that all commitments issued by the F. H. A. on or after April 1, 1941, involving existing construction not previously covered by an insured mortgage will bear an expiration date not later than June 30, 1941, and such commitments are not subject to extension.

### F. H. A. FILM TO BE SHOWN HERE

"Design for Happiness," a technicolor picture distributed by the Federal Housing Administration, will be shown at the Library Theatre here on Friday and Saturday, it has been announced here.

Narrated by Lowell Thomas, noted news commentator who visited Warren recently, the film describes the workings of the F. H. A. plan for those desiring to build their own homes.

The synopsis of the picture follows:

Meet Bob Martin. Nothing remarkable about Bob. Just a nice, ordinary fellow making \$25 a week. Takes some figuring, though, to keep a pretty wife, a baby, and a dog.

Nancy thinks they could manage. (Turn to Page Eight)

### TIMES TOPICS

**WARREN WINS**  
At the final session of the New York-Pennsylvania I. O. O. F. Pinchle League, held Monday evening at Jamestown, the Warren Odd Fellows took the season's championship, although they finished second for the evening. Russell moved to fourth place by beating high for the evening, while Kennedy moved up to second place. The teams finished in the following order: Warren, Kennedy, Cleveland, Russell, Monitor, Sugar Grove, Mt. Tabor, Youngsville, Watts Flats and Ellicott.

**REVISED FIGURES**  
Revised figures from the Federal Communications Commission show that the total number of broadcast stations in the country to be affected by wavelength changes which become operative at 3 a. m. Saturday is 802. The remaining 61, ranging from 720 kilocycles to 550, are not to change dial positions. In connection with the shift, it is to be noted that this is the first wholesale moving of stations since the reallocation of 1928 in which clear channels were established.

**FIRE IN GARAGE**  
Fire of undetermined origin this morning badly gutted the interior of a garage and storeroom at the Crescent Floral Gardens, Bidle street, and completely demolished a Plymouth sedan owned by S. J. Offerle. Firemen found the interior completely in flames when they arrived, but managed to confine the fire to the portion of the building in which it was then located. The call was received at 7:42 a. m. Fire Chief Douglas G. Kropf said the cause of the blaze is being investigated.

### TIMES TOPICS

**UNDERGOES OPERATION**  
Nick Soboluk, of Pittsfield, submitted to an operation for appendicitis at the Curry hospital on Monday morning. He is reported to be getting along nicely.

**AT JAMESTOWN**  
Herbert D. Harris, principal of the Beaty school here, was the speaker at the meeting of the Lincoln Junior High school P. T. A. at Jamestown last night.

**LEAVE HOSPITAL**  
Mrs. Claire Peterson and baby son were removed to their home, 102 Russell street, on Monday from the maternity ward of the Warren General Hospital.

**PATIENTS GO HOME**  
Mrs. Eugene Erickson and baby daughter, Warren, R. D. 3, left the maternity ward of the Warren General Hospital yesterday and are now at their home.

**HOME FROM HOSPITAL**  
Mrs. Raymond Crull was discharged from the maternity ward of the Warren General Hospital yesterday and, with her baby son, is now at home.

**SINGS IN CONCERT**  
Miss Adeline Reed daughter of S. A. Reed, 302 Parker street, and student at the Institute of Musical Art of the Juilliard School of Music in New York City, is appearing in the concert being presented this evening. She will sing a group of songs by Julia Smith, as part of the concert of compositions by alumni of the institute.

**ROADS RESTRICTED**  
The Department of Highways in Harrisburg has announced weight restrictions on two sections of roads in Warren county. Vehicles of more than eight tons will be barred from the roads until after repairs have been completed. These are Route 159 from Complanter to the New York state line and Route 62029 from U. S. Route 62 to the New York State line.

### COUGHS DUE TO COLDS

Piso's PLUS-ACTION\* Explodes Theory That Cough Medicine Only Soothes Your Throat!

The very first spoonful of Piso's brings soothing comfort to your irritated throat membranes. But you also get an important plus-action in this modern formula. Piso's

\*Piso's actually stimulates your system to produce more protective secretions in your throat and upper bronchial passages. These normal fluids thin and liquefy thick, clogging phlegm... it's more easily flushed away... your cough is "loosened."

Depend on Piso's (Pie-so's)... not for its local "throat-soothing" action alone... but for its more important insides working system effect. Piso's is good for adults and children. At all druggists in 25c-60c bottles.

The United States' destroyer total does not include overage World War vessels. Only the data of the United States Navy is official; other data represent estimates from diplomatic, consular and naval services. It is believed reliable, however; where there was a question a question mark is used.

## St. Petersburg Times Tells of Wedding of Parties Given For Miss Lucille Corbett and William T. Moore County Newlyweds

Friends of Miss Lucille Corbett and William Moore, united in marriage last Thursday in St. Petersburg, Fla., will read with interest the following excerpts from the St. Petersburg Times of March 21:

Miss Lucille Corbett became the bride of William T. Moore yesterday. The ceremony was performed at the First Presbyterian church by Dr. James A. McClure before members of the families and close friends.

The bride wore a tailored aqua wool crepe jacket dress with white felt hat, white accessories and a corsage of gardenias. Her sister and maid of honor, Miss Mary Corbett, chose a tailored dusty pink dress with white accessories, a white straw hat and an iris corsage.

David Beatty, Jr., of Warren, Pa., cousin of the bridegroom, was best man and ushers were Robert Kube of Chicago and Alfred Ritz of Kenilworth, N. Y. The bride was given in marriage by her father, Wylie T. Corbett, of Warren, Pa. and St. Petersburg.

Mrs. Corbett, mother of the bride, wore a navy blue costume with white accessories and a corsage of roses.

A luncheon at the Soreno hotel followed. Guests were Mrs. Helen Dravo, Fred Jackson, Miss Marian Leay, Mr. and Mrs. Clyde Davis, Miss Jean Davis, Miss Betty Lehman, Dr. O. S. Brown, Mrs. Ruth Lehman, Miss Geraldine Burke, Dr. and Mrs. J. E. Eisenhart, Miss Edna Ritz, Mrs. Ira Tower, Mr. and Mrs. Harold Banghart, Mr. and Mrs. David Beatty, David Beatty, Jr., Mrs. B. H. McLachlan, Mr. and Mrs. Clyde Barrow, Mr. and Mrs. C. S. Mead, Mrs. Robert Kube, Alfred Ritz, Mrs. Joseph Schofield, Miss Helen Honhart, Mrs. Fitch and Miss Minerva Travers.

Mrs. Moore, a native of Warren, attended schools there and received her AB degree from Hood College at Frederick, Md. She has been coming to St. Petersburg for several winters.

Mr. Moore, son of Mr. and Mrs. Frank P. Moore, of Warren, attended Trinity College school at Port Hope, Ont., and Ohio Wesleyan University. He is a drug manufacturer. After a wedding trip through the southern states, the couple will be at home after May 1 in Warren.

On Sunday, members of the Garber family enjoyed a delicious twelve dinner at the home of Mr. and Mrs. G. A. Morris, at Grand Valley, in honor of Mr. and Mrs. Kenneth Boland, of Youngsville, who were married March 15.

About 20 relatives were present, including Mr. and Mrs. Emory Garber and family, Mrs. Arthur Garber and son, Robert, Mrs. Ethel Gates, Mr. and Mrs. Carl Garber and son, Grand Valley, Mr. and Mrs. Leon Mitchell and family, of Lottsville; also Miss Margaret Van Guider, of Grand Valley, who was bridesmaid, and Arthur Bogren, of Youngsville, the best man.

On Friday evening, Mrs. G. A. Morris entertained about 20 guests at a miscellaneous shower for her niece, Mrs. Boland, with many beautiful and useful gifts presented for the new home.

Alice Garber, daughter of Arthur Garber, of Grand Valley, and Kenneth Boland, son of Mrs. Iva Mack, of Youngsville, were united in marriage by Rev. C. D. Dible in the Youngsville United Brethren church and are residing on North Main street, Youngsville.

## WOMAN'S SOCIETY OF EPWORTH CHURCH

The regular meeting of the Woman's Society of Christian Service of the Epworth Methodist church was held last evening, with Mrs. Oscar Granquist, president, in charge. She opened the session with a poem, "It Never Yet Has Failed," followed by the invocation by Mrs. Edith McCool, and devotions in charge of Mrs. Evelyn Allen, assisted by Miss Margorie Woodruff.

Margaret Shannon had charge of the program on "Investing Our Heritage for the Health of the World." Those taking part were Mrs. K. Kiser, Mrs. P. Jones, Mrs. K. Baldensperger and Mrs. Bert Woodruff. Mrs. Granquist offered the closing prayer.

It was announced that a spring meeting of all W. S. C. S. units will be held at Fred. S. N. Y., on April 22.

## COLLEGE CLUB HAS INTERESTING MEETING

Members of the College Club heard a very interesting address on "The Refugee Problem" at the March meeting, held at the Philomathean Club, with Mrs. Jordan Overman as chairman. The speaker was Dr. Arnold A. Kippen, staff member at the Warren State Hospital. The physician has done a great deal of research on the topic and, although statistical, it was made most interesting and informative. To conclude, Mrs. E. K. Rogers and her committee served refreshments.

## BIRTHDAY PARTY FOR SALLY JANE THEODORE

Sally Jane Theodore, daughter of Mr. and Mrs. Ralph Theodore, of Rogers Mills, entertained at her home Tuesday afternoon in celebration of her seventh birthday anniversary. Following a pleasant period of games, a birthday luncheon was served and the little hostess was presented with many lovely remembrances from the following: Sally Nelson, Marilyn Ristau, Carolyn Lane, Lola Jayne Struble, Jack Parks, Johnny Gibson, Glenn Culbertson, Phyllis Ristau, Joyce Beebe and Jerry Gibson.

## SALEM PASTOR SPEAKS ON PASSION PLAY

The Women's Missionary Society of the Salem Evangelical church is sponsoring a special Lenten service tomorrow evening at 7:45 o'clock, when the pastor, Rev. Stephen R. Schich, will be the speaker. He will tell of the Oberammergau Passion Play which he witnessed during the summer of 1930.

The address will be supplemented by special vocal and instrumental music. A large attendance is anticipated for this event.

## P. H. C. ACTIVITIES

The Protected Home Circle will sponsor a series of games Thursday afternoon at two o'clock in the Marconi social rooms, and a second game at eight o'clock in the evening, both for the benefit of the organization's degree team. At six o'clock, there will be a pickup supper and at seven, the regular business meeting of the lodge will be held.

## LOCAL LEADERS

A 4-H Club local leaders' training meeting will be held at the Y. W. C. A. on Friday, beginning promptly at 1:30 o'clock. Miss Isabel Myers, assistant state club leader from Pennsylvania State College, will be present to assist in the discussion of local leaders' problems and their solutions. Last year Warren county had nine home economics clubs and this year several new ones have been added in the county program. Any community wishing to organize 4-H clubs should communicate at once with Mrs. Thelma Prendergast at the court house.

## GARDEN CLUB

The second in a series of garden meetings will be held at the court house on Wednesday evening, April 2, at 7:45 o'clock, with Mrs. W. E. Nissley, vegetable gardening extensionist, as the speaker. The first in this series of meetings was held March 17, but bad weather prevented many from attending. The sessions are open to all who are interested in growing flower or vegetable gardens.

## CLUB NEWS

A home management extension meeting was held at the home of Mrs. Nelson Crooks in Corydon on March 24, followed by the Rogers Mills group meeting at the home of Mrs. Ristau on Tuesday. Today's meeting is that of the Smith Corners group.

Mrs. McIntosh was hostess to the Starbuck unit recently when it met to work on flower pictures. Recent meetings have also been held at North Warren, Glade, Clarendon and Stoneham.

The North Warren group meets again on March 31 at the home of Mrs. F. M. Geor. The Chandler's Valley group will hold its April meeting at the home of Mrs. Ellsworth Wilson on April 1 and the Irvine unit will meet the following day at the Irvine clubhouse. The Sanford club meets April 3 and Mrs. Nuhfer will be hostess to the Glade group on April 4.

# Lower Merion And Duquesne Enter P. I. A. A. Court Final

Well, the tin-foil business is pretty good, even if the gasoline business isn't anything to brag about, as, of course, it never is this time of year. But we're in there pitchin' every minute of the day and night so when and if spring comes, we'll be set to give you the best of service.

Incidentally, you'll notice we said "day and night." Everybody in Warren knows that The Motor Lighthouse is never closed (and never has been since it was built), but it is interesting to note that one man has been responsible for that cheerful spot of light and activity during the small hours for over seven years. Yessir! For seven years, stormy or fair, Paul Wagner has been on the job over there, and a swell job he's made of it, too. We think that seven years is some kind of a record, but whether it is or not, we know that Paul is the BEST dog-gone night manager any station ever had.

Marshall Parshall please note: Our Motorcycle Servi-Car is back in service again after a brief lay-up for repairs. Jonesy, being a motorcycle expert, has fixed it up good as new and it is ready to serve you, Marshall, or anyone else, any time. We'll call for and deliver your car for lubrication or washing, or if you run out of gas, just 'phone and the Servi-Car will be there in a jiffy.

**NOTICE TO BIDDERS**  
Sealed proposals will be received by the School District of the Borough of Warren at the Office of the Board of School Directors at Second and Market Streets, Warren, Pennsylvania, until four o'clock P. M., Monday, March 26, 1941, for providing and installing two new steel heating boilers and coal stokers in the Realy School Building, Warren, Pennsylvania, at which time and place the proposals will be opened publicly and read.

Drawings and specifications for this work may be obtained from Lawrence and Green, 111 South Front Street, Harrisburg, Pa., upon deposit of \$10.00 for each set. If the documents are returned in good condition within five days after opening of bids, the full amount of deposit for one set will be returned to each additional bidder. Deposits for each additional set will be returned with a deduction of \$5.00 to cover cost of reproduction. The entire deposit will be forfeited by bidders not submitting a bid and by bidders not returning documents within the time stated. Bids must be accompanied by a guarantee in the form of a certified check in an amount not less than 5% of the base bid.

## Maroon Easily Tops Rough Riders 32-21 In Surprise Victory

Harrisburg, March 26.—(P)—Two great high school basketball teams, Lower Merion and Duquesne, will battle for the state P. I. A. A. championship Saturday night at the University of Pennsylvania Palestra in Philadelphia.

Lower Merion gained the finals by rising to the heights against Luzerne's famed Rough Riders and ending the District Two team's 26-game winning streak, 32 to 21, before 9,000 at Philadelphia last night.

Duquesne reached the finals for the first time in the school's history by defeating Sharpville, 38 to 24, before 4,200 at Pittsburgh.

Given only a bare chance against Luzerne's high scoring attack led by Francis "Chink" Crossin, Lower Merion stopped Duquesne's attack with a man-to-man defense in the second half.

The score was tied seven times during a see-saw first half that ended 18-18. But it was all Lower Merion in the second stanza as the Maroon went on to enter the finals for the fifth time. They won the state title in 1933 by beating Altoona, but lost to Sharon in 1930, to North Braddock Scott in 1931, and to Homestead in 1932.

Crossin played his usual good game, getting 15 points, but Lower Merion shackled his teammates especially in the second half when Luzerne got only three points, all of them by Crossin.

Luzerne led twice in the first half at 15-14 and 17-16, but the nearest the Rough Riders got in the last two periods was 25 to 21 early in the last quarter. Dutch Stiverden and Heindel each got 11 points for Lower Merion.

Duquesne, led by Mike Bytzura, ran up an early 10 to 2 lead over Sharpville, then staved off a bid by the District Ten's champions that cut the lead to one point, 17-16, in their third quarter.

But there the rally faded and the boys from the Monongahela river town pummeled steadily away. Altogether Bytzura chalked up 16 points while Steve Gergley got 11 for Sharpville.

Both Lower Merion and Duquesne survived a grilling test in elimination play that started several weeks ago. Lebanon won the schoolboy crown a year ago by beating Conemaugh, 37 to 32.

## SPORT SCATTERINGS

COMET

Whitney Martin, AP expert, comments that they're afraid to pick them and afraid not to pick them. It is a team which easily could win going away, if everything clicked. It might also finish around Christmas, if the young fellows failed to produce, and fellows like Bill Dickey, Red Rolfe and Charley Keller were again of stride. But the fact remains that the power hitting is still there, and today it's power that seems to count in the stretch.

Vernon "Lefty" Gomez, one of the few real daubs of color in the American League, has regained his speed, and that may play a big part in the Yankees' trip up the ladder. "El Gordo" has convinced the powers-that-be that he is the Gomez of old, and all talk of trading him to the Boston Red Sox has vanished. He has made two brilliant performances this season, against the Louisville Colonels and the Brooklyn Dodgers. He gave the latter two hits and one run in five innings and pumped the pill across the plate in a brilliant show. During the winter, Lefty has taken off 20 pounds and trained more seriously than at any time during his career and, if physical condition counts, Gomez will be ready for the payoff. A lot depends on Rufus the Red, Marius Russo & Co., which had too little on the ball last year, but perhaps slugging and good fielding will bring back the old days when a Yankee pitcher could win if he could hold the opposition to nine runs.

And while on the subject of fielding, their performance in the Grapefruit League has drawn the plaudits of the scribes for Gerald Friddy and Phil Rizzuto, the Kansas City keystone combination. While their names are always mentioned in the same breath, it is quite evident that young Mr. Friddy will stand without Rizzuto, but the tandem is considered the smoothest working pair ever to crash the majors—and that includes Boudreau and Mack. Some keen judges of baseball are already mentioning Rizzuto in the same breath with the short stops of the past and, if the duo lives up to advance notice, Yankee Stadium will see some pretty fancy groundie-stopping. Rizzuto and Friddy are so well acquainted with each other's moves that they can make throws on double plays without looking at the other. They stage one play which is a wow. On a ball hit deeply to Friddy's right, with no one on Rizzuto rushes toward his teammate, who tosses the ball to him, and Rizzuto makes the throw to first to get the runner.

**YEARS AGO IN SPORT**  
March 26, 1921.—It was announced today that Kane rooters have chartered a special train next Wednesday night and about 200 fans will accompany the Kane team to this city for the Nameless Five game. The Y. M. C. A. will again be taxed to capacity without question. March 26, 1931.—While local five-man teams did not do so well in the A. B. C. tournament at Buffalo, Mel Johnson hit 650 and Al Fischer got 628 in the singles, which should win them a fair share of prize money.

## Sports Round-up

**By EDDIE BRIETZ**  
New York, March 26.—(The Special News Service)—Canada Lee, the old negro welter, has the leading role in "Native Son," winner of four star notices from Broadway critics. On a tip from our Senior Sid Feder, Senior Jess Losado, Cuban sports impresario has invited the champion Long Island U. cagers to play three games in Havana, and the boys sail tomorrow. The Messrs. Armour, Sarazen and Hagen still are raving about the form Bobby Jones showed the Dook of Windsor at Nassau. Addie, shelled out \$19,104.50 for the first 36 match-play of the La Marle and Co. pro tennis tour. If that's hay, Sue us.

**Old Collitch Spirit**  
Ohio University's three cheer leaders—Two co-eds and a guy—hitch-hiked all the way from Athens, O., to try to root the boys home in the Garden cage tourney. Bruce Drake, Oklahoma U. cage coach, gave them a lift a part of the way.

**Sports Cocktail**  
Harry Harris, AP photographer, came back from Detroit with an after-the-bout picture of Abe Simon, which shows Abraham looking like a cross between Boris Karloff, the Angel and Abe Simon, or, as any Harvard professor would tell you, A throwback to neanderthal man. All 25 candidates for the Northwestern baseball team are right-handed throwers and batters. Football's chief topic of conversation this year will be Clark Chubb, the Y. M. C. A. star, but the Y. M. C. A. Howard Jones is readying at Southern California. The Orange Bowl will add 22,000 pews to its present 25,000 before next New Year's Day game.

**Today's Guest Star**  
Harold Parrott, Brooklyn Eagle: "So Hank Greenberg has flat footed. So what? He's in plenty of distinguished company."

**Dragon Quint Will Play at Jamestown**  
It was announced here this morning that the Warren "W" Club quint, made up of this year's court stars, will meet the Jamestown "J" Club, also the 1941 varsity in the Jamestown High School gymnasium Friday evening.

The preme will be staged at 7:30 o'clock between the Schoolmasters and the "J" Club Seconds.

Coach Homer Fleming will take his tumbling team to Jamestown that evening, and the Pennsylvania champions will put on an exhibition between the halves.

Student tickets will be available at twenty-five cents and adult admission has been set at fifty cents.

## CORNPLANTER WINS PISTOL LOOP MATCH

The Complanter Gun Club pistol team won a two-way match in the Warren Revolver League last night, defeating the Irvine Rod and Gun Club, 558 to 528.

Yagge, Werlin and Myers led the winners, with Worley high for the Irvine team.

## REDS CONFIDENT THEY'LL RETAIN NATIONAL FLAG

Tampa, Fla., March 26.—(P)—Deacon Bill McKeechne was cool and confident as he put his world champion Cincinnati Reds through their final workout here before breaking camp for the trip to Miami, Havana and the baseball wars.

"I'm picking the National League to finish just like it did last year," he predicted. "We'll be first, Brooklyn second and St. Louis third."

As it is rare for the Reds' pilot to come out so flat-footed for anything except the doctrine of clean living, he was asked quickly to give his reasons.

"It's simple," he said. "We've won the last two years and I think we're stronger than ever before. They've got to come after us, and we'll be there to catch."

"Jim Gleason gives me a better punch in my outfield, Floyd Young, and Bob Mattick gives the best all-around reserve strength for my infield that I've ever had, and the way Monte Pearson is pitching, I couldn't be surprised if he is a big winner for us x x x."

"Catching is about the only place we're not improved. We haven't a replacement for the late Wally Hershberger, but we still have a mighty good catcher in Ernie Lombardi x x x."

Though McKeechne did not say so, one of the big disappointments of the Cincinnati camp has been the failure of Dick West to measure up to big league calibre as a catcher. For a time it looked like the boy from Indianapolis had filled the gap left by Hershberger's death. But it proved only a flash and now Bill Baker is left with the job of understudying Lombardi. That is the Reds' only obvious weakness, as Baker was much less than a sensation last year.

Ival Goodman, rightfielder on two Reds' championship clubs, appears to be lost for the coming season unless his health takes a rapid turn for the better. He is 15 pounds under weight, feels wretched and has seen no action yet. Gleason, though, makes an adequate replacement in right, and with Mike McCormick in center and Jimmie Riddle in left, the champions should have at least as good an outfield as last year.

Pitcher Paul Derringer was left behind at his home in Sarasota, Fla., still recuperating from the injury he received when struck by a batted ball a week ago. He hopes to be in there now.

## TRAINING CAMP NOTES

**By the Associated Press**  
Miami Beach, Fla.—John Podgajny, the rookie right-hander of whom the Phillies expect a great deal this year, has been sent back to Philadelphia to have his tonsils removed.

**Fort Myers, Fla.**—The Cleveland Indians will know more about their pennant chances tonight, Lou Boudreau, the team's sparkplug shortstop, is scheduled to play a few innings against Detroit today to test his injured ankle. If the trouble is only a sprain, as the Indians believe, his teammates will breathe a lot easier.

**St. Petersburg, Fla.**—Jack Russell, the veteran signed by the Brooklyn Dodgers as batting practice pitcher, thinks he can earn a regular job as a relief man. "I think I can show Leo Durocher a few things he'll like," Russell said. His pet clutch delivery is a "downer" which he thinks should help the Dodger infield turn in a good many double plays.

**Anaheim, Calif.**—Bill Beckman's performances in the Grapefruit League have given every indication that he is pointing for a role as starting pitcher for the Athletics. His hurling was the only saving feature of yesterday's 9-6 defeat by the White Sox, as he turned in a flawless job over the last three innings.

**Los Angeles—Manager Jimmie Dykes** of the Chicago White Sox is enthusiastic over the showing of Orval Grove, big right hander up from Oklahoma City. Specializing in a sinker ball, Grove gave only two hits, two walks and no runs in the last three innings against the Athletics yesterday.

**Miami, Fla.**—Manager Bill McKeechne, looking back over four weeks of Cincinnati workouts, today listed these highlights: "The fine pitching" of Monte Pearson, former Yankee, who has "more confidence and poise than he's ever shown before"; the catching of Bill Baker "after he got his chance to work regularly"; and "consistently good play at shortstop by both Eddie Joost and Bobby Mattick."

**Los Angeles—Chauffeur Aston**, property man with the Pirates for 30 years, offers some consolation

ing them down alongside Bucky Walters, Gene Thompson, Whitely Moore, Johnny Vander Meer and the others when the race opens.

## BOMBER INSISTS ON RETURN BOUT WITH ABE SIMON

New York, March 26.—(P)—Along the grapevine comes a report all is not flowers and soft music in Joe Louis' happy fight family at the moment, all because of Abe Simon.

When the one-eighth-of-a-ton stood off Joe for 13 rounds in Detroit last Friday, Promoter Mike Jacobs immediately matched them for Madison Square Garden in May. Now you hear that one of Joe's managers (name withheld on request from source) is hemming and hawing about the match.

The reason—and if this doesn't slay you, try a gun—is that this particular pilot is "areard." Joe will chop "Our Abe" down in a couple of minutes the next time, thereby affecting the gate for the bomber's tea party with Billy Conn in June. The way the co-manager figures it, last Friday's fuss made it look like Conn has a better than fair chance of beating Joe. But if Louis lays Abe low in par the next time, lots of the cash customers may forget all about the Detroit embarrassment and decide to stay away from the Conn bout for fear of what may happen to Billy Boy.

However, Joe's other manager and Joe himself want Simon again. Joe never likes to "look bad" against any fighter, and he certainly was no "comph" guy in there the other night. So he wants another crack at Jimmy Johnson's Gladiator, and will have it. For, no matter what they say, Joe is grown up now and as smart as the next fellow—and his managers know it.

**YANKEE INFIELD SWIFT**  
Safety Harbor, Fla., March 26.—Charley Dresen, Brooklyn coach, considers the current New York Yankees infield—Red Rolfe, Phil Rizzuto, Gerald Friddy and Joe Gordon—superior to the Rolfe, Frank Crosetti, Gordon, Babe Dahlgren combination.

to the despairing Bucs despite their spring showing.

"Back in 1909," he says, "we were bad in training but won the pennant. And in 1927 we were being kicked around so much by Texas Leaguers that Donie Bush, in despair, put a little fellow named Lloyd Waner in left field when we didn't even have a regular's suit for him. But we won the pennant and he played regular for 14 years."

**The Friendly Car!**

**CHRYSLER**

... so convenient  
... so gracious  
... so sensible!

YOU GET a warm welcome the minute you throw open the doors of a *Fluid Drive* Chrysler. The doors open both ways from the center post... big doors, full width to the bottom. No awkwardness in entering... no soiling clothes on the rear fender.

Great Airflow cushions... wide, spacious floors... generous room for six big people. And just the kind of upholstery and colors you'd prefer... because you choose them yourself!

**WHY SHIFT GEARS?**

Now get behind the wheel for the friendliest feature of all... *Fluid Drive*!

Wake the great Spitfire engine and prepare for the lurch that doesn't come... you glide from rest to action as smoothly as an eagle soars.

You sweep through town from one end to

the other without once shifting gears. You stop, you roll on again, you follow every whim of traffic... and never touch the clutch or gearshift lever.

All that is wonderful enough... but the greatest wonder is the friendly smoothness and silence with which it is all accomplished.

Try this friendly car yourself! See how much easier and smoother *Fluid Drive* is. Learn how it feels to be free from the work of constantly shifting gears! Phone for a demonstration.

## Peaceful Picketing Enforced

(From Page One)

The normal day shift totals 8500. For the first time since the strike began Monday, the SWOC at its usual press conference made no claims concerning the number on strike. Previously it had claimed the strike was 90 per cent effective.

John V. Riffe, SWOC official in charge of the strike, announced that the union proposed to resume "unrestricted picketing" as soon as possible. He said that pickets were withdrawn last night at the request of "government officials" whom he did not name, when state police went into action.

Riffe charged "paid agents" of the company overtook approximately 100 automobiles near the plant late yesterday "to provide an excuse for picking in state police."

"Some of the agents," he declared, "have admitted it."

This is payable for employees of the Saucun mill of the company, and the company placed booths outside the gates to pay off any strikers who appeared for money due them from last week's work. Men in other departments will be paid tomorrow.

Bethlehem, March 26.—(P)—Five thousand mattresses and beds were included in a seven-carload shipment of supplies sent last night from Jersey City, N. J., to the strike-bound Bethlehem Steel Company plant, a railroad official announced today.

Ray L. Gebhardt, superintendent of the New York division of the Lehigh Valley railroad, said food and cigarettes also were in the shipment.

The issue at the Johnstown, Pa., plant was the same as the one that precipitated the strike here—a scheduled election of bargaining representatives by an independent union, the Employees Representation Plan.

The Johnstown election was scheduled this morning but Foster Jones, an official of the E. R. P., said nothing had been done, adding: "We want to hold our election but we do not want to do anything that might precipitate trouble."

The detachment of troops that moved last night against the massed picket lines totaled approximately 125 and Col. Lynn G. Adams, state police commissioner, said "adequate reinforcements are available" if needed.

A conference that S W O C officials said they had arranged for this morning with W. L. Trumbauer, the company's industrial relation manager, was not held.

John V. Riffe, S W O C official in charge of the strike, declared the company called it off after he and 15 union officials had assembled.

## A COMMUNICATION

Warren, Pa. March 26, 1941.

Editor Times-Mirror, Warren, Pa.

Dear Sir:

In reply to the communication in March 25th edition of Times-Mirror in regard to the auditors' report, we wish to inform Mr. Taxpayer that:

The Hoffman Estate, while under the supervision of the County Commissioners as trustees, is not under the jurisdiction of the County Auditors, it being controlled by the Court and audited by an appointee of said Court. The report is on file in the Register's office and can be examined at any time.

The other funds, i. e., Rouse, Road and Pool Funds, Trusts, Hedges and Local Soil Estates, are fully audited and so reported in Auditor's report for 1941.

heretofore to the pact, and of notes addressed to Yugoslavia by the Axis powers, was genuine.

In the near future, it was summed up thus: "The three-power pact cannot be regarded by any new signers. Every adherent in principle accepts all its obligations. Practically, however, certain things are not expected of joiners. For instance, as German Foreign Minister Joachim Von Ribbentrop declared, Germany does not expect Balkan troops to fight for her. Also, as long as the war lasts, the various claims of Balkan and neighbor states against each other for territorial revisions must rest.

## ANNUAL FOREST COUNTY TALENT SHOW IS HELD

encourage the use of good quality plays, vocal and instrumental music and folk games.

### YOUR NATION'S CAPITOL

(From Page Four)

The third annual Forest county talent festival, an activity of the agricultural extension association that is planned by a committee and representatives of the participating groups, was given before an audience of 600 persons. Ten groups participated in the program of vocal and instrumental music, one-act plays and dance.

The Marienville High School, under the leadership of C. M. Campbell, furnished band music and greetings from the committee were extended by the chairman, Frank Watson. A trio of Tionesta High School girls sang under the leadership of Miss Elizabeth Renner, and the Tionesta Reading Club play was directed by Mrs. Neil Kunkelmann. A girls' trip represented the Hickory Township High School and the West Hickory Senior Social Club was represented by a one-act play coached by Mrs. Caroline Green.

Instrumental music was by another trio from the Hickory Township High School and the Tionesta Woman's Club, under the direction of Miss Iva Daniels, entered a vocal trio. The girls' choir, directed by Mrs. H. B. Taylor, was the entry of the Tionesta Presbyterian church. A group from Forest County Grange No. 552, led by S. M. Fitzgerald, gave the concluding number, a square dance.

The program was very well given and shows what the committee has accomplished toward the three objectives of the festival: to demonstrate the kind and quality of recreational activities which can and are being done in Forest county; to stimulate wholesome self-expression, good entertainment, improve social relationships, group solidarity and homelike happiness; to develop talent and

Mediation Board and may result in recommendation for new labor legislation from the House Judiciary Committee.

The farm bloc, seeing capital and labor making efforts at a comeback to get their hands moved in with demands for "increased parity payments from \$200 million to \$400 million to raise the prices farmers get for the things they sell. And so powerful is this farm bloc that the Senate Agriculture Committee recently heard John H. Bankhead of Jasper, Ala., recommend that farmers go on strike for a year, so as to raise prices. This, mind you, in a year of all-out defense effort.

Government agencies, instead of trying to see which could cut requests for appropriations most, have actually competed to get control of defense funds.

Every department of Federal Security agency—the WPA, NYA, SSB, B. of E., and USFS, to mention only a few by their familiar and unfamiliar initials, have found reasons to increase their spending. Even organized labor supports WPA claims for more relief money, so as to keep employed wage levels high.

Government workers have their hands out, too, and if everyone else is getting it, the theory is "why not?"

All these grabs for government money have certain inflationary implications. If everyone is to get more money, the tendency is for prices to rise. Shortages of some materials, soon to be felt in manufacture and sale of everyday articles for private use, will provide a too-easy excuse for raising prices.

Retail merchants on the whole have co-operated with the plea to keep prices down. There have been some instances of a desire to

Today's hand reminds me of a situation that occurred in the early days of contract bridge. At a national tournament in Cleveland, there were a number of players in the contract event who had previously played nothing but auction.

One young lady asked me, "Do you get more than one bid in contract?"

"Certainly," was the reply.

"Thank you, I'll bid one heart and one spade."

And that is exactly what I would like to do on this hand, but though the heart suit is stronger, we must bid the spades first.

West continues clubs and South ruffs. A trump lead knocks out one adverse honor, and another club forces South again. A second trump lead forces out the other adverse honor.

Although a fourth club lead can force South's last trump, North still has the jack of trumps with which to take out the last adverse trump. Then the tricks in the red suits are ample for the contract.

If South bids hearts first, North may steer him into four hearts instead of four spades, since North's extra spade is not sufficient to offset a decided preference shown for hearts by South.
